# THE RENEGADES OF REAL ESTATE

The Renegades of Real Estate Fishing Classic (ROREFC) was founded in 2017 with the ambitious goal to be able to help connect current students, alumni and enthusiasts of the Florida State University Real Estate Center. In 2022, we have rebranded as Renegades of Real Estate Classic to expand our impact within the community and offer multi-functional events.

We expanded this year on the same guiding principles and values by organizing our 8th annual event since inception & 4th annual golf classic! Our values are to provide the opportunity to network and develop key relationships throughout Florida, while in the process cultivating scholarships and other resources to enhance the student experience. Funds raised are to be allocated for the betterment of the students and the Florida State University Real Estate Center in Tallahassee, Florida and beyond!

Our Golf Classic will field pairings of individuals from across Florida and the southeast United States. Teams will compete in a round of golf that awards prizes to the top team based on a scramble format, along with longest drive and closest to the pin! Don't Golf...Don't Worry! The Renegades of Real Estate Classic is built on a networking platform that collaborates fun networking events alongside the opportunity to further engage with others in real estate and Florida State University community. Followed by a luau themed dinner party, open bar and awards reception! Don't miss these exciting opportunities to connect, develop and advance your network of referrals, leads and business contacts within the industry and beyond!

With your support, we can enhance the next generation of real estate students!! The ROREC is an IRS approved 501(c)3 and is 100% supported by volunteers and donors. We are also noted as a contributor of a major gift to the Florida State University Real Estate program via our endowment within the Florida State University Foundation.

# THANK YOU!

As a result of the generous donations of our alumni and friends of the Renegades of Real Estate Classic and Florida State University Real Estate Center, we have been able to honor our mission to provide both scholarships and experiential learning opportunities for students of the Florida State University Real Estate Center. Since our inception, we have had a profound influence giving back to students through mentorship, networking, travel, internships, shadow days and scholarships.

Our Board of Directors thanks everyone who has contributed, from title sponsors to those who attend our events through the cost of admission. Every dollar counts as we aim to make a difference for students of the FSU Real Estate Center.

Whether you are looking to build your bench or network with alumni, the Renegades of Real Estate Classic delivers a “Gold-en” opportunity wrapped in the warmth of a “Garnet” welcoming. We hope you will join us!

Sincerely,

*Clayton Idle*
